

## NOBODY CAN BUILD IT FASTER

Yantis Company's asphalt crew has the best quality control in all of San Antonio and is capable of handling all types of asphalt repairs. Over the years, Yantis has completed multiple asphalt repair projects for various homeowner associations and property management groups. No matter the size of the project, Yantis can provide the following services with our own equipment and crew:

**Asphalt Patching | Asphalt Overlay | Crack Sealing | Seal Coating**

# NOBODY CAN BUILD IT FASTER

3611 Paesanos Pkwy  
Suite 300  
San Antonio, Texas 78231

Since **Yantis Company** installed new management in 2012, the company is changing the way private civil construction projects are built. With more equipment and manpower than any other civil contractor in the area, put Yantis Company's new philosophy to work for you. Yantis promises a complete, competitive price, an unbeatable schedule, and an unwavering commitment to quality.
